Dear Property Owner,

Our long-awaited Coldwater Lake Sewer Project is now in the easement acquisition stage, and we need your assistance in moving this project along. Enclosed you will find a sewer project Questions & Answers sheet, along with Easement Documents for your signature. Please note, the Easement Documents must be signed before a Notary Public and returned by **May 31, 2023**. Once you have signed these documents, please return to Nottawa Township. You will find enclosed a self-addressed, stamped envelope for your convenience.

There will be a Coldwater Lake Association Meeting on May 20, 2023, at 11:00 a.m., at the 4-H Campground. Kim Turner, a Notary Public representing Nottawa Township, will be present to witness your signature(s), and to collect signed Easement Documents. She will be in the lobby to assist you, even if you are unable or choose not to attend the meeting. Or you may call her and schedule a time that is more convenient for you. A Notary Public at your local bank or credit union may also be used (this service may be free or at a nominal fee).

Any questions you may still have after reviewing the enclosed Questions & Answers can be directed to Kim. Please contact her at (517) 388-2267 (call or text). You may also email your questions directly to coldwaterlakeeasements@gmail.com. Thank you for your involvement in this important matter. Your time and effort is greatly appreciated.

Sincerely,

Kory Mindel
