Old Business: The sewer ordinance needed a corrected number change. Lorenz gave update on sewer system. The bids should be able to go out this week, after the road commission gives the ok with some minor items. Discussion followed about the maintenance of the detour roads, brining, etc. We will be checking brining costs. Completion of sewer in Beal City is set for June 2021.

The special assessments will be billed when the township closes on the loan, winter bill taxes.

Nottawa Township board passed The Nottawa Township Wastewater Ordinance. 5 ayes, no nays

The playground repair is being checked to see when it will start.

The tennis court in the park will be repaved. Pickle ball net may be up instead of the tennis net.

New Business: Motion made by Marchiando, 2nd by Fox to hire George Green to spray the parking lots again this year. Approved

Next meeting on June 1. Adjourned at 7:46

Respectfully submitted
