June 17, 2022

The following is a list of contractors who have registered with Nottawa Township to perform municipal sewer hook-ups. These contractors have provided us with a copy of their current proof of liability insurance, plumbing or other applicable license, if any. Nottawa Township is not endorsing these contractors; we are simply stating that they have registered with the township.

If you have a contractor that you would like to use that is not on the list, please have them provide their current proof of liability insurance and license, if any, to the township and file an application with us to become registered. They can contact the township clerk at nottawatwpclerk@hotmail.com.
